- Sec. 4-5-90. Application approval procedure.
- Sec. 4-5-100. Findings.

Sec. 4-5-10. Established.

There is hereby established within the Town an Enhanced Sales Tax Incentive Program ("ESTIP").

(Ord. 2002-2 §1; Ord. 2011-18 §1)

Sec. 4-5-20. Purpose.

The purpose of the ESTIP created hereby is to encourage the establishment and/or substantial expansion of retail sales tax-generating businesses within the Town, thereby stimulating the economy of and within the Town, thereby providing employment for residents of the Town and others, thereby further expanding the goods available for purchase and consumption by residents of the Town and further increasing the sales taxes collected by the Town. Said increased sales tax collections will enable the Town to provide expanded and improved municipal services to and for the benefit of the residents of the Town, while at the same time providing public or public-related improvements at no cost, or at deferred cost, to the Town and its taxpayers and residents. (Ord. 2002-2 §2; Ord. 2011-18 §1)

Sec. 4-5-30. Definitions.

As used in this Article, the following phrases shall have the following meanings:

Enhanced sales tax means the amount of the sales tax collected by the Town over and above a base amount negotiated by, and agreed upon by, the applicant and the Town, and which amount is approved by the Board of Trustees, which base amount shall never be lower than the amount of sales tax collected by the Town at the property in question in the previous twelve (12) months plus a reasonable and agreed-upon percentage of anticipated increase in sales taxes, or, in the case of a newly established business, an amount which represents the good-faith determination by the applicant and the Town as to the amount of sales taxes which could be generated from the new business without the participation by the applicant in the ESTIP created hereunder.

Owner or proprietor means the record owner or operator of an individual business, or the owner of the real property upon which more than one (1) business is operated, provided that said owner (whether an individual, corporation, partnership or other entity) is the owner or lessor of the individual businesses operated thereon.

(Ord. 2002-2 §3; Ord. 2011-18 §1)

Sec. 4-5-40. Program participation.

Participation in ESTIP shall be based upon approval by the Board of Trustees, exercising its legislative discretion in good faith. Any owner or proprietor of a newly established or proposed retail sales tax-generating business or location, or the owner or proprietor of an existing retail sales tax-generating business or location which wishes to expand substantially, may apply to the Town for inclusion within the ESTIP, provided that the new or expanded business is reasonably likely to generate enhanced sales taxes of at least one thousand dollars (\$1,000.00) in the first year of operation. (Ord. 2002-2 §4; Ord. 2011-18 §1)

Sec. 4-5-50. Benefit of participation.

Approval by the Board of Trustees of an agreement implementing the ESTIP shall entitle the successful applicant to share in enhanced sales taxes derived from the applicant's property or business in an amount which shall not in any event exceed fifty percent (50%) of the

enhanced sales taxes; provided, however, that the applicant may use said amounts only for public and/or public-related purposes such as those specified herein and which are expressly approved by the Board of Trustees at the time of consideration of the application. The time period in which said enhanced sales taxes may be shared shall not commence until all public or public-related improvements are completed and shall be limited by the Board of Trustees, in its discretion, to a specified time or until a specified amount is reached.

(Ord. 2002-2 §5; Ord. 2011-18 §1)

Sec. 4-5-60. Uses of enhanced sales taxes.

The uses to which said shared enhanced sales taxes may be put by an applicant shall be strictly limited to those which are public or public-related in nature. For the purposes of this Article, public or public-related purposes means public improvements, including but not limited to streets, sidewalks, curbs, gutters, pedestrian malls, streetlights, drainage facilities, landscaping, decorative structures, statuaries, fountains, identification signs, traffic safety devices, bicycle paths, off-street parking facilities, benches, rest rooms, information booths, public meeting facilities, building upgrades, historical restoration, construction that will generate additional employment opportunities and/or sales tax revenues, and all necessary, incidental and appurtenant structures and improvements of a similar nature which are specifically approved by the Board of Trustees upon the Board of Trustee's finding that said improvements are public or public-related improvements or will serve the purposes set forth in Section 4-5-20 of this Article.

(Ord. 2002-2 §6; Ord. 2011-18 §1)

Sec. 4-5-70. Base figure.

The base figure for sales taxes shall be divided into four (4) quarterly increments, which increments are subject to agreement between the parties and approval by the Board of Trustees, and which increments shall be reasonably related to the average quarterly performance of the business or property in question, or similar businesses in the area (i.e., adjust for seasonal variations). If in any quarter the agreed-upon base figure is not met by the applicant so as to create enhanced sales tax for that quarter, no funds shall be shared with the applicant for said quarter, and no increment shall be shared until that deficit, and any other cumulative deficit, has been met, so that at the end of any twelve-month cycle, funds in excess

of those enhanced sales taxes agreed to be shared shall not have been shared with any applicant.

(Ord. 2002-2 §7; Ord. 2011-18 §1)

Sec. 4-5-80. Sales tax not affected.

It is an overriding consideration and determination of the Board of Trustees that existing sources of Town sales tax revenues shall not be used, impaired or otherwise affected by this Enhanced Sales Tax Incentive Program. Therefore, it is hereby conclusively determined that only enhanced sales tax generated by the properties described in an application shall be subject to division under this ESTIP. It shall be the affirmative duty of the Finance Director to collect and hold all such enhanced sales taxes in a separate account apart from the sales tax generated by and collected from the other sales tax-generating uses and businesses within the Town and to provide an accounting system which accomplishes the overriding purpose of this Article. It is conclusively stated by the Board of Trustees that the ordinance codified herein would not be adopted or implemented but for the provisions of this Section.

(Ord. 2002-2 §8; Ord. 2011-18 §1)

Sec. 4-5-90. Application approval procedure.

(a) Approval of an application for inclusion in this ESTIP shall be given by the Board of Trustees, at a public hearing held as a portion of a regularly scheduled Board of Trustees meeting, based upon the following criteria:

- (1) The amount of enhanced sales taxes which are reasonably to be anticipated to be derived by the Town through the expanded or new retail sales tax generating business;
- (2) The public benefits which are provided by the applicant through public works, public improvements, additional employment for the Town residents, etc.;
- (3) The amount of expenditures which may be deferred by the Town based upon public improvements to be completed by the applicant;
- (4) The conformance of the applicant's property or project with the comprehensive plan and zoning ordinances of the Town; and

- (5) The agreement required by Subsection (c) below.
- (b) Approval shall be by motion adopted by a majority of the entire Board of Trustees.
- (c) Each application for approval submitted to the Board of Trustees shall be subject to approval by the Board solely on its own merits. Approval of an application shall require that an agreement be executed by the owner and the Town, which agreement shall, at a minimum, contain:
 - (1) A list of those public or public-related improvements which justify the applicant's approval and the amount which shall be spent on said improvements;
 - (2) The maximum amount of enhanced sales taxes to be shared and the maximum time during which the agreement shall continue, it being expressly understood that any such agreement shall expire and be of no further force and effect upon the occurrence of the earlier to be reached of the maximum time of the agreement (whether or not the maximum amount to be shared has been reached) or the maximum amount to be shared (whether or not the maximum time set forth has expired);
 - (3) A statement that it is a personal agreement which is not transferable and which does not run with the land;
 - (4) That the agreement shall never constitute a debt or obligation of the Town within any constitutional or statutory provision;
 - (5) The base amount which is agreed upon by quarter and the fact that if, in any quarter as specified, sales taxes received from the property do not at least equal said amount, there shall be no sharing of funds for said quarter;
 - (6) The base amount shall be agreed upon which shall consider the historic level of sales at the property in question, or a similar property within the area in the event of a new business, and a reasonable allowance for increased sales due to the improvements and upgrades completed as a result of inclusion within the ESTIP;
 - (7) A provision that any enhanced sales taxes subject to sharing shall be escrowed in the event there is a legal challenge to the ESTIP or the approval of any application therefor;

(8) An affirmative statement that the obligations, benefits and/or provisions of the agreement may not be assigned in whole or in any part without the express authorization of the Board of Trustees, and further that no third party shall be entitled to rely upon or enforce provision hereof; and (9) Any other provisions agreed upon by the parties and approved by the Board of Trustees.

(Ord. 2002-2 §§9, 10; Ord. 2011-18 §1)

Sec. 4-5-100. Findings.

The Town Board has enacted this ESTIP as a joint benefit to the public at large and to private owners for the purpose of: providing the Town with increased sales tax revenues generated upon and by properties improved as a result of this Program; public improvements being completed by private owners through no debt obligation being incurred on the part of the Town, and allowing applicants an opportunity to improve properties which generate sales activities, which improvements make those properties more competitive in the marketplace and further provide to the applicant additional contingent sources of revenues for upgrading said properties. The Town Board specifically finds and determines that creation of this ESTIP is consistent with the Town's powers as a statutory municipal corporation, and that exercise of said powers in the manner set forth herein is in furtherance of public health, safety and welfare. Notwithstanding any provision hereof, the Town shall never be a joint venture in any private entity or activity which participates in this ESTIP, and the Town shall never be liable or responsible for any debt or obligation of any participant in this ESTIP.

(1) The health, safety and welfare of the people of the Town are in large part dependent upon the continued encouragement, development and expansion of opportunities for employment in the private sector in the Town.

(2) There currently exist in the Town businesses or vacant land which require new development or revitalization opportunities to overcome conditions of unemployment, underemployment, net out-migration of the population, diminution of tax revenues, chronic economic distress, deterioration of business districts, deterioration of public infrastructures or sudden severe economic dislocations.

(3) By creating new development opportunities for businesses within the Town, the Board of Trustees will increase the likelihood that new and improved businesses will generate more municipal sales tax revenues for the Town in the future.

(b) It is the policy of the Town, in order to provide incentives for private enterprises to expand and for new business to locate in the Town, to develop a program which declares the Town a "Business Incentive Zone" and provides for the abatement of certain categories of fees, taxes and other business development-related charges for new development or redevelopment expected to generate revenue to the Town, within a one-year period, equal to or exceeding the amount of the abatement.

(c) The Board of Trustees has enacted this Article as a joint benefit to the public at large and to private owners for the purposes of providing the Town with increased sales tax revenues generated upon and by properties improved as a result of the program and allowing owners and
